New Roof

Look, up in the sky, it's a new roof! We now have a new metal roof on four of the church buildings (all but the Family Life Center). There was a \$42,000 donation given toward the new roof and the church approved in the July business meeting to go with a metal roof, knowing that it will last much longer than all of the other options. Due to rain, the roofing company was not able to begin until the very end of August, but they were able to complete the task in a mere four days. Several have noticed and been quick to complement the church on the new look as well as the wise investment. To God be the glory!

Seeing Double!

Special thanks to Danny Hicks for installing our new projectors in the sanctuary. When the rear projector went out, the church decided to move the one in the front to the back and add two in its place. This allows there to be two screens seen around the baptistry, and allows the cutaway and the cross to be seen at all times.

Testimony: Hello everybody! This has been a hectic year for many; mine actually started out of the country. At the end of January I had an epileptic seizure. I was able to get home safely and soundly but what I didn't realize was God's planning. While in Honduras I was able to

get a doctor's appointment the day after my seizure while we were not quite able to get that to happen here. My dad and brother were able to visit and I went home with them right before the borders all shut down. God has been watching over me my whole life just as I know He's watching over all over of us. This is a trying time and will be if this pandemic continues. Trust in God, He knows what He's doing. "Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge Him and He will make your paths straight." Proverbs 3:5-6

Bathroom Blessings

Recently, Southside had the opportunity to help a family in our community with the reconstruction of their bathroom. Members from Southside joined members from Ozark Baptist and Dale Baptist Associational Director of missions Jim Hill for this renovation project.

Pictured to the right is Andrew Bates who finished the drywall for the ceiling. We were able to bless a family and share the love of Christ with them. Thank the Lord for His amazing blessings that come to us each and ever day. We praise Him for using us to bless others as well.

A Word from the Pastor

What a blessing August was for me and my boys as we had the opportunity to take our annual "Man Trip." I love taking this trip with them each year to pour into them relationally and to reinforce biblical manhood. We have great conversations, a lot of fun, and of course enjoy some good food. This year we went to Columbus, GA, and went ziplining and whitewater rafting, the later being something we have never done before. I am extremely blessed to have the family that I have. God is good. Thank you church family for allowing us to serve here at Southside!
